

**LION NATHAN**

## **HEALTH & SAFETY MANAGER – LION NATHAN**

### **ARE YOU SEEKING A CHALLENGING NEW ROLE IN A GREAT ENVIRONMENT?**

At Lion Nathan we are looking for an experienced Health & Safety Manager. This role is based in Newmarket and reports to the Health & Safety Director.

Lion Nathan is one of NZ's leading alcoholic drinks companies and includes in its portfolio leading brands such as Steinlager, Stella Artois, Speight's, Wither Hills and Bulleit Bourbon.

We are seeking someone with a comprehensive knowledge of the Health & Safety in Employment Act 1992, it's Regulations; and the Injury Prevention, Rehabilitation and Compensation Act 2001. You must have excellent communication and inter-personal skills as well as be able to work well with teams across all areas of the business. Ideally you will have experience in a manufacturing environment.

Lion Nathan Ltd is accredited to the ACC Partnership Programme, and ideally you will have Health & Safety experience as well as knowledge and experience of rehabilitation of injured employees back to the work place.

#### **The role requires:**

- **continued implementation of H&S initiatives**
- **monitoring of employees work related health**
- **working with the line management on specific safety related issues**
- **comprehensive understanding of the ACC Partnership Programme**
- **working closely with our Third party Administrator to ensure all work injuries are managed appropriately**
- **coordinating & driving our wellbeing strategy**

If you meet these skills and qualifications we look forward to receiving your application.

Please apply online at [www.lion-nathancareers.co.nz](http://www.lion-nathancareers.co.nz) applications close Friday 31 October.
