Risk & Safety Management Solutions

Health & Safety Trainer - Napier Based

Impac is New Zealand's leading provider of professional risk and safety management solutions. We deliver training, auditing, consultancy and related services to businesses throughout NZ.

We are currently looking for a motivated individual to join our Napier team to support our growing business.

Our trainers deliver a wide range of H&S related courses. As an NZQA accredited Private Training Establishment for up to Level 6, our courses are largely Unit Standard based, covering all elements of H&S systems. We also specialise in delivering bespoke training to meet our clients' needs.

The person we are looking for would ideally have:

- Excellent communication skills
- Experience in working with industry
- Practical experience in the application of health & safety in the workplace
- Adult or vocational training experience and the ability to be able to run interactive training sessions – not lectures.
- Is stimulated by people contact and have the ability to relate to people from all walks of life
- Is capable of building strong working relationships
- Is highly motivated, enthusiastic, energetic with a great a sense of humour

This role does include travel and overnight stays.
A full position description is available.

Please send your CV to: rachael@impac.co.nz.
All applications will be treated in the strictest confidence.
Applications close on the 20th of October, 2008.

Risk & Safety Management Solutions

Quality & Training Advisor - Napier Based

Impac is New Zealand's leading provider of professional risk and safety management solutions. We deliver training, auditing, consultancy and related services to businesses throughout NZ.

Reporting to the Business Manager, in this important position you'll be responsible for maintaining and developing our quality systems, supporting our training administration team, gathering data to meet our external reporting obligations to funders and NZQA and establishing and maintaining effective relationships with key stakeholders.

We are seeking a person with successful quality systems and project management experience (preferably within the education sector), with excellent people skills, a flexible and positive approach, and a willingness and ability to operate in an innovative environment.

We need you to have a high standard of computer literacy, strong organisational and communication skills, and considerable ability to balance a range of different tasks at the same time. You must be comfortable working with people at all levels, and be able to work both independently and as part of a supportive team. Some travel may be involved.

Impac is a family friendly employer and we are willing to consider a range of flexible work options.

Please send your CV electronically to rachael@impac.co.nz.
All applications will be treated in the strictest confidence.
Applications close on the 20th of October, 2008.
