

impac

Risk & Safety Management Solutions

Passionate about training? Looking for a new challenge...

Impac are currently seeking a motivated health and safety trainer for our Auckland team

We are New Zealand's leading provider of professional risk and safety management solutions. We deliver training, auditing, consultancy and related services to our clients, which include major companies and public bodies across a wide range of industries. We are a well established and reputable company that has achieved sustained growth over the last 5 years.

We are an NZQA accredited Private Training Establishment delivering Unit Standard courses covering all elements of H&S systems and practice. We also specialise in developing bespoke training to meet our clients' needs. We are ACC funded to deliver H&S Rep and WSD training.

You will have:

- Excellent communication skills
- A background of working with industry
- Practical experience in the application of health & safety in the workplace
- Adult or vocational training qualifications and experience and the ability to be able to run interactive training sessions – not lectures.

You are:

- Inspired by working with people from all walks of life
- Capable of building strong working relationships
- Committed, enthusiastic, organised and with a great a sense of humour!

Travel and overnight stays go with the job however we value work life balance and support flexible working patterns where practical.

We offer a competitive salary, including bonus scheme and other benefits, access to company vehicles, professional development including the opportunity to attend our prestigious NEBOSH International Certificate.

A full position description is available on request.

If you think you have what it takes please send your CV to: rachael@impac.co.nz. All applications will be treated in the strictest confidence. Applications close on the 26th of February, 2009.
