

## **Complete Training Package = Rapidly Growing Company = An amazing career opportunity!**

*Health/ Injury prevention industry experience wanted - Become a professional trainer - Fantastic earning potential - Systems & support provided*

Do you love working in the health industry and the feeling of making a difference but pondering 'what next'? Are you looking for an opportunity to challenge yourself and break away from a traditional health provider role, have fun and be financially well rewarded?

Where do you see yourself in 12 months time, 3 years from now, or even 5 years from now? Are you still in the same role you're currently in? Would you like to be doing something new?

If you'd like to take your existing skill set to a whole new level, consider the opportunity Provention Ltd is making available to individual training providers for the first time in the NZ marketplace. Provention is a market leader in the Health and Safety Industry providing Injury Prevention services Nationwide to NZ's major leading companies.

We have developed a programme that has revolutionized injury prevention training. Companies undertaking our services are being consistently rewarded with a 70 to 90% reduction in strain/sprain injuries. How would you like to be part of an amazing team delivering this work?

If this interests you, then we may be exactly the company you've been looking for.

Provention Ltd is looking for motivated and ambitious people to join our team. We are rapidly expanding and this is an opportunity to be involved and to grow with our company. You'll have ambition to build a thriving independent practice and be part of our exciting expansion.

This is ideal for someone who has a business in a related field and is interested in transitioning over to something completely new or alternatively in working with Provention along side their existing role .....the choice is yours
