

H&S ACCOUNT MANAGER

CHH PULP & PAPER

Carter Holt Harvey is a world class wood products company, and New Zealand's largest pulp and paper manufacturer.

Strategically located in the central North Island, the Pulp & Paper business supplies product to both the local and international markets. Carter Holt Harvey is committed to achieving competitive excellence through innovation, performance and leadership. As part of this process, we are seeking a Health and Safety Account Manager.

Reporting directly to the GM – EHSR based in Australia, this is largely an autonomous role leading Health & Safety initiatives across the six Pulp & Paper businesses in New Zealand.

You will work closely with the Chief Executive and his lead team, as well as with the Mill and Business Managers and the local site H&S Coordinators. This position is based at the Kinleith Mill, Tokoroa and is required to regularly travel to other Pulp & Paper sites.

While driving delivery of the wider Carter Holt Harvey strategic H&S plan across Pulp & Paper, you will get involved in conducting risk analysis and providing recommendations, leading serious harm investigations, guiding site H&S Coordinators, and coaching all levels of the business around employee engagement, their health & safety accountabilities, and legislative compliance.

Ideally tertiary qualified, to succeed in this role you will have in depth knowledge of all H&S legislation and relevant experience in a similar environment at a senior level. You will have a natural ability to build relationships and influence people at all levels along with strategic thinking, strong analytical skills and a proactive approach.

CHH Kinleith produces softwood kraft pulp and a range of linerboards used in packaging.
